

## MERCHANT SERVICES SOLUTIONS FOR EVERY BUSINESS NEED

*By partnering with Fitech we are able to provide our customers with a wide range of payment products.*

# FITECH

**Rental Programs** - We can provide terminals for special events or for a short-term rental need.

**Seasonal Processing** - Businesses that only need to process in certain months can be deactivated at specific times of the year to save money.

**Mobile** - Acceptance of payments with a mobile card reader. Compatible with most iPhone and Android phones.

**Countertop Terminals** - Terminals accepting credit cards, EMV®, and mobile payments with the latest in security technology.

**Gift Card Program** - Increase brand exposure and grow your business by selling gift cards and managing customer loyalty.

**Ecommerce Package** - Sell your products and services online through our E-Commerce Solutions.

**Transaction Center** - Online portal available for recurring billing and real time transaction data.

**Virtual Terminal** - Using internet access, process credit cards through our encrypted secure web portal.

**POS** - Tablet based POS with robust payment capability along with business management tools.

**FirstView®**- Online robust reporting access with detailed account of transaction activity, volume, and batch reports and other report capabilities all in one place. 24/7/365
